Water Softener

Virgo Water Softeners can help reduce energy bills and save water. These highly efficient water softeners are designed to help protect plumbing and appliances from hard water damage. Virgo Water Softeners will allow you to clean with less soap and will also save you the time previously spent rewashing spotted dishes and glassware.

- All units include an 18" x 40" brine tank (320 lb. capacity)
- All resin tanks are covered with a stainless steel welded jacket
- Backwash rate between 2.2 and 4.5 GPM
- Approx. weight 110 to 190 pounds
- 10 year warranty on tanks
- 5 year valve and electronics warranty
- Control valve is easily removed from the tank for service
- 12 volt electrical system
